The Great Bay Resource Protection Partnership announced the Spring 2022 recipients of Land Protection Transaction Grant Program grant awards. A total of \$45,568 in grant funds will support conservation work on over 235 acres of land. The three conservation projects provide over \$81,000 in matching funds. The eligible properties are permanently protected through donation or acquisition of land and conservation easements.

The Spring 2022 grant awards include conservation properties representing a diversity of natural resources including woodlands, agricultural lands and open fields, important wildlife habitats and water resources. The Spring 2022 Land Protection Transaction Grant Recipients:
