GRANTS AVAILABLE FOR STEWARDSHIP COSTS in the GREAT BAY WATERSHED

The Great Bay Resource Protection Partnership announces Stewardship Grants 2024

Durham, NH – Grant applications are available for the Great Bay Resource Protection Partnership’s Stewardship Grant Program. The grants program assists with land stewardship costs for the permanently protected conservation lands in the Great Bay watershed area of New Hampshire.

Stewardship activities supported by this grant program include habitat management, existing trail maintenance, property/project planning, and natural resource inventory projects. Projects that involve resource sharing or collaboration with partners/abutters on stewardship actions across property boundaries are encouraged.

Eligible applicants include the fee owner or conservation easement holder of an eligible conservation property, including qualified nonprofit tax-exempt 501(c)(3) conservation organizations, municipalities and units of government.

Applications must be submitted by **June 1, 2024**. Grant instructions and the application form are available on the GBRPP website <http://www.greatbaypartnership.org>

For questions about the grant program contact:

About the Great Bay Resource Protection Partnership:

The Great Bay Resource Protection Partnership is a collaboration of conservation organizations in New Hampshire’s coastal region that promotes landscape-scale land conservation and stewardship. Funding for the Stewardship Grant program is provided by the New Hampshire Charitable Foundation and the Great Bay 2030 Initiative. The Nature Conservancy serves as the fiscal agent for the GBRPP grant program.
